

Aluvision Inc. is a dynamic and growing company that specializes in high-end aluminum design solutions for booth building, showrooms and displays. A committed team ensures top performances for customers around the world. To further support our growth we are looking to expand our team with an:

WAREHOUSE CLERK

We are looking for a warehouse clerk to participate in our warehouse operations and activities. Warehouse clerk responsibilities include storing materials, picking, packing loading and unloading products and quality control. The goal is to increase efficiency, profitability and customer satisfaction.

YOUR POSITION

- Prepare and complete orders for loading and unloading product (load, pack, wrap, label, ship).
- Receive and process warehouse stock products (pick, unload, label, store).
- Responsible for organizing our warehouse in an efficient and practical way and think of ways of improving the lay-out when needed.
- Perform inventory controls and QC on our products .
- Keep warehouse organized and clean.

- Follow quality service standards and comply with procedures, rules and regulations.
- Orderpick and assemble products based on our catalogue.

REQUIREMENTS

- 3 + years proven working experience as a warehouse worker processing large crated products.
- 3 + years experience with forklift (Sit-down gas is strongly recommended, 4-way reach truck is an asset).
- Proficiency in inventory, shipping and receiving
- Familiarity with modern warehousing practices and methods.
- Good organizational and time management skills.
- Ability to lift to 50 Lbs.
- High school degree.

OUR OFFER

- A challenging and permanent job in a fast growing and international environment.
- An open corporate culture where innovation and customer-oriented thinking prevail.
- A responsible job with room for initiative and the possibility of taking a variety of training courses.
- An enthusiastic team of talented co-workers.
- An appropriate compensation in accordance with knowledge & experience, supplemented with benefits.
